Just One.

It's a goal.
A commitment.
A promise.

A way to demonstrate your dedication to living a Christ-centered life through service to others. Just One is the next paving stone on the disciple's journey—taking the next step on the road that leads us ever closer to Christ. As disciples, we don't grow in our faith by accident. Rather, we take our steps with intentionality, charting our path and choosing our way with purpose.

Just One is:

- Reading just one spiritual book this month, this quarter, or this year.
- Reading just one chapter of Scripture every day.
- Signing up for just one hour of Eucharistic Adoration per week.
- Saying just one Rosary, or even one decade of the Rosary, every day.
- Spending just one minute in prayer every morning and evening, or increasing your prayer time by just one minute a day.
- Praying for just one person that has hurt you in some way this week.
- Sharing the Good News of Jesus Christ, in some way, with just one person every day.
- Asking just one person to join you for Mass this weekend.
- Welcoming just one newcomer to the Parish this month.

These are specific examples that, if done with regularity, will lead you further along the road of discipleship and draw you closer to Christ.

This catalog is all about service opportunities and the options we have for sharing our Time & Talent with the Body of Christ. And so we ask you to commit to Just One in a unique and specific way:

- 1. If you're already serving in ministry, renew that commitment and then commit to finding Just One other person to serve with you in ministry this year.**
- 2. If you're not currently serving, commit to finding Just One ministry that engages your spirit while allowing you to serve others. Commit to trying Just One ministry at a time until you find your calling.**

A different approach.

We know how busy people are today. We know that ministerial commitments are often difficult to fit in between school activities, work schedules, and the thousand other things that fill our days. But, there are many ways to do ministry that might not have occurred to you—ways that still have a significant impact and can change lives, but are a bit outside of what we'd normally consider as “doing ministry”. Here's a list of ideas.

- Write notes of comfort and spiritual support to inmates, the homebound, or those who are grieving.
- Collect and donate soft cover religious books, magazines, holy cards, etc. or even plastic framed reading glasses for the Detention Ministry.
- Work in your community to collect non-perishable food, personal hygiene items, or paper products and cleaning supplies for the Thurston County Food Bank or the YMCA Other Bank.
- Provide as-available transportation to doctor appointments, the grocery store or pharmacy, for the homebound or those who need temporary assistance. Or perhaps provide temporary meal preparation.
- Record blood pressure and pulse rates and help provide patient education for Nurse Ministry efforts before or after Mass as scheduled.
- Create prayer shawls at home and turn them in at the Parish Office. Collect and donate yarn and other knitting/crocheting supplies for the Prayer Shawl ministry or bring shawls to those in your community in need of comfort.
- Distribute Pregnancy Aid pamphlets to schools, clinics, doctors offices, etc. Collect and donate new and gently used mom & baby items such as strollers, car seats, clothing, high chairs, etc.
- Launder bed linens for the Men's or Women's Homeless Shelters or drive shelter guests to and from the Salvation Army with the St. Mike's Tikes van.
- Collect, donate, and stock kitchen supplies like milk, juice, bowls, etc. and cold weather clothing like socks, hats, mittens, hand warmers and underwear for the shelters.
- Participate in a Social Justice advocacy activity such as writing letters to officials or join/organize a community group that seeks to change structures and policy. Write letters and articles for publications.

Call and talk with Bene Reece, our Steward for Pastoral Care and Community Outreach Ministries at (360) 292-7143. She'll help you find a myriad of ways to get involved using just the time and resources you have available.

A busy schedule doesn't have to leave you out of ministry!

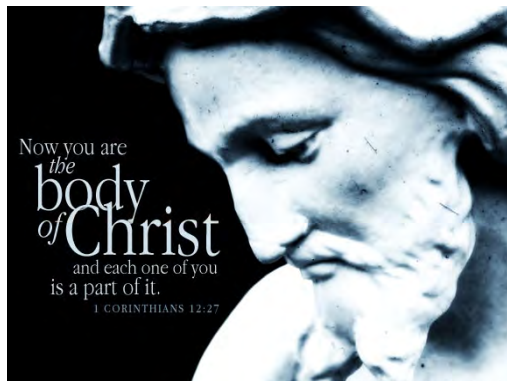

How do we cultivate our gifts?

The US Bishops' *Pastoral Letter on Stewardship: A Disciple's Response* tells us that a steward is "one who receives God's gifts gratefully, cultivates them responsibly, shares them lovingly and in justice, and returns them with increase to the Lord." These four attributes of a steward match up with four areas of focus for both individual Catholics and the Parish:

1. We receive God's gifts gratefully through prayer and worship focused on thanksgiving. At Saint Michael Parish, we make prayer a priority and spend time with the Lord every day, at least five minutes each morning and evening. We also Make All Sundays Sacred (M.A.S.S.)
2. We cultivate our gifts responsibly through formation and education. We continue to learn and grow in our faith, to become true disciples for whom Stewardship is simply a way of life as followers of Christ. We recognize and develop those gifts and talents God gives us so that we might use them to help build the Kingdom.
3. We share our gifts lovingly and in justice when we share them with others, especially the less fortunate. Generosity becomes the way in which we approach our lives. We live for others and not ourselves, knowing that, being made in the image and likeness of God, we must pour ourselves out for others as God does for us at every moment.
4. We return our gifts with increase to the Lord by giving adequately to the Lord's instrument here on earth, His Church. We understand that none of it is ours, that we only tend what has been given us and, like the good steward in Christ's parable, give back to the Lord with increase. We are managers, not owners.

Human nature puts many obstacles in the way of the generosity to which God is calling us. We hope this catalogue provides you with specific opportunities that speak to your heart, to the work that the Holy Spirit is truly calling you to carry out in the world.

We are the body of Christ, many parts, yet one. "The eye cannot say to the hand, 'I do not need you,' nor again the head to the feet, 'I do not need you' (1 Cor 12:21)." We should, "Strive eagerly for the greatest spiritual gifts." Those gifts, properly understood, are oriented toward others and not ourselves. Find them. Use them. Build God's Kingdom.

Liturgical Ministries

Through our Baptism, we receive a share in the priesthood of Christ and participate in public worship which is the liturgy of the Church.

Our liturgical ministers place themselves at the service of the liturgical assembly and contribute to the worship of the community. As the Second Vatican Council makes clear, liturgical participation is the responsibility of all the baptized. While not all are called to active liturgical service, we all contribute through our active participation, in prayer and in song, in the celebration of the liturgy.

Altar Servers

Altar Servers serve at the Lord's table for Sundays, Holy Days, funerals, and wedding liturgies. This is a great way to be involved and to learn more about the Mass. Open to adults who are active parishioners and to youth in at least the fourth grade who have received First Communion. Training is provided and dress code is required.

Commitment is approximately 90 minutes per Sunday scheduled. A great opportunity for families and those trying ministry for the first time. Training is provided.

Music Ministry

Saint Michael Parish has a long tradition of excellent leadership and participation in the music at liturgies. There is always a need for cantors (proclaiming the sung Psalm), instrumentalists, and choir members. Choirs sing at both the Downtown and Westside locations on Saturday Vigil and all Sunday Masses up to the 11:30 Mass. There is also a Children's Choir. Our Life Teen band plays for the Sunday 5:00 pm Mass and is always looking for skilled contemporary musicians. An audition is required for all music ministry groups. Rehearsal times vary according to the program.

Community Outreach Ministries

The Church is a community of human beings who, while still subject to sin, strive to live out the Gospel call to love our neighbors as ourselves. Our St. Michael Parish faith community works to promote justice and charity through numerous ministries and programs. Our outreach to the poor and most vulnerable is one key way in which we live out our faith in the world. The Catholic Church is the world's largest provider of social services. We're honored to be part of that tradition.

Beyond Just Faith

Just Faith is a 30 week program that focuses on options for the poor and on solidarity, two of the seven themes of Catholic social teaching. The Beyond Just Faith ministry provides an outlet for the graduates of the Just Faith program to more fully participate in putting that teaching into action. The group meets monthly and supports programs such as the Bread for the World letter-writing campaign, Fair Trade sales, faithful citizenship and creating a culture of peace forums. All parishioners are invited to participate.

Youth Migrant Project (YMP)

Youth in grades 6-8 work in food and clothing banks and other outreach projects that serve our migrant sisters and brothers of the Skagit Valley during this week-long summer “mission at home”. Their desire is to discover Jesus’ call to a life of loving service, understand the importance of respecting the rights of all people, experience the richness of Hispanic culture, make new friends by developing and deepening their faith, and experience the universality of the Catholic Church. The project needs adults to serve as chaperones and drivers who are willing to share their faith and lead youth during this intense week of service. Adults are also needed to help with prep work, collect donations, and serve as “prayer warriors”. Training is provided and a background check and Safe Environment training are required.

Helping Hands

This ministry provides a “helping hand” to people 18 and older who are in need of temporary assistance, regardless of their faith, ability, or income by providing meals on different occasions, short-term respite for caregivers, visiting or calling on the home-bound, plus assisting with healthcare appointments, grocery shopping, or other errands. Requires a valid driver’s license and auto insurance, as well as a background check and Safe Environment training. No minimum service time is required and is based on your schedule and availability.

Impact

Impact is the service outreach ministry of LifeTeen, based on Matthew 5:16, which states, “Just so, your light must shine before others, that they may see your good deeds and glorify your heavenly Father.” It is open to youth in the LifeTeen and EDGE programs, who help to be the mouth, arms, and feet of Christ as they work at community assistance activities from visiting the elderly to cleaning up a neighbor’s yard. Volunteers are especially needed to help plan and coordinate events.

Journey of the Heart

As people of God, we are called to be missionaries. Journey of the Heart organizes short term mission experiences within and outside the archdiocese. Some volunteers will go on a mission trip, helping to paint or repair facilities, care for children, or distribute food – whatever is needed. Others will plan mission activities, provide transportation, prepare missionaries for their journey, or support them and the people they serve with prayer. Meetings are monthly for about two hours. The only requirements are compassion and the desire to love and serve others.

Meals for Moms/Food for Fathers

This ministry presents an opportunity to deliver dinner to mothers in our parish who have recently given birth. You'll receive an e-mail notification whenever a new baby arrives (averages about twice a month) along with a link to a convenient website where you can chose a date that works for you, plan a dinner, and deliver it to the family. There are also occasional opportunities, using the same online process, to bring dinner to our priests at the rectory. St. Michael School families also receive an hour of community service credit for each meal delivered.

Community Building Ministries

God has revealed to us that his very nature is communal and social. God the Father sends his only Son Jesus Christ and shares the Holy Spirit as his gift of love. God reveals himself to us as one who is relational, one who is Trinity.

We who are made in God's image share this communal, social nature and are called to reach out and to build relationships of love and justice.

Adopt-a-Flower Bed

A great opportunity for a group of friends or a family to help maintain our critical first impression – the grounds at the Downtown and Westside sites. Enthusiastic participation is crucial to preserving these large landscaped areas. Flower bed spaces are assigned for individuals or groups to inspect and maintain on a weekly basis from early April through October. Thirty minutes per week should be enough for most areas. Periodic group work parties provide an opportunity to share fellowship while completing large or extra projects. Tend God's beautiful creation as it flourishes for all to enjoy and appreciate!

Groups

We have a host of active groups at Saint Michael Parish, from prayer groups to councils and commissions. You're sure to find a group that speaks to your heart and helps you to live out your spiritual call to holiness.

Eucharistic Adoration

Meet Jesus face-to-face in the Holy Eucharist. Adoration of the Blessed Sacrament is an expression of our love and a profession of our faith in Christ's presence now on earth. This is our opportunity to come before Jesus and thank him for his ultimate sacrifice for our salvation, to share with him our trials and sufferings, and to ask for his help and grace in our lives. He waits patiently and lovingly for each of us to come to him. Give yourself the gift spending time with our Lord; remember the question Jesus asked his apostles, "Could you not spend one hour with me (in prayer)?" Adoration takes place 24 hours a day, 7 days a week in the Saint Joseph Chapel. Volunteers can commit to adoration at a specific time for one hour per week, or for one or more hours per month as a substitute.

Everyone is invited to enter into this silent, healing relationship with God.

Councils & Commissions

Suggestions for councils & commissions are gathered each year in May during an “offering of names” process in which parishioners prayerfully consider and submit the names of those they believe would be of service to the Parish in a leadership role. That process is followed by a “day of discernment” whereby those whose names have been put forward discern if and in what capacity they may be called to serve. Finally, the process concludes with a personal invitation by the Pastor to serve on a specific council or commission.

The Pastor seeks advice and counsel from eight leadership councils and commissions in order to guide the mission of the Parish: Pastoral Council, Finance Council, Stewardship Council, Faith Formation Commission, Spiritual Life and Worship Commission, School Commission, Community Outreach Commission and Vietnamese Commission. Each council and commission is engaged with one area of Parish life and ministry. A council or commission is responsible for developing a strategic plan for ministries which fall under their responsibility, ensuring that these plans are carrying out the mission and direction of the parish.

Pastoral Council Staff Liaison—Terry Walter

The Pastoral Council is the Pastor’s primary consultative body and is responsible for helping the Pastor plan and execute the mission and vision of the Parish. Council members serve a three year term.

Finance Council Staff Liaison—Terry Walter

The Finance Council provides advice and recommendations to the Pastor concerning the stewardship of the parish’s fiscal resources, including long-range financial planning and budgeting.

Stewardship Council Staff Liaison—Ralph Shawver

The Stewardship Council promotes Stewardship as a Way of Life for the people of the Parish. The Council advances all aspects of Stewardship by offering education, personal discovery, and a welcoming spirit in our ministries. Council members support the annual Time & Talent effort, the Annual Appeal for the Archdiocese, and the Sacrificial Giving renewal.

Faith Formation Commission Staff Liaison—TBD

A consultative body that offers support and advice to the Pastor on matters of faith formation, its goal is nurturing life-long faith in all parishioners. Members study best practices and Church documents on Faith Formation and develop the direction for future faith formation initiatives.

Pastoral Care and Community Outreach Commission

Staff Liaison—Benedetta Reece

The Commission promotes the awareness and practice of Catholic Social Teaching. It evaluates new and existing social ministries, provides educational opportunities on Catholic Social Teaching and recommends financial support for local organizations serving the poor.

Spiritual Life & Worship Commission

Staff Liaison—Michelle Clinton

The Spiritual Life and Worship Commission is committed to deepening the spiritual life of the Parish community. They recommend actions that will result in a more prayerful and spiritual parish community.

School Commission Staff Liaison—Connor Geraghty

A consultative body to the Pastor and to the principal on matters relating to the Parish school, its primary responsibilities include preparing the school budget and strategic plan for approval by the Pastor. There are three standing committees: Stewardship, Communication, and Finance.

Vietnamese Commission Staff Liaison—Terry Walter

A consultative body that provides advice and recommendations concerning care and ministry to the Vietnamese community, the commission provides opportunities for Vietnamese members to come together to worship and support one another and maintain their native language and culture. This is especially helpful to those new to the area who do not speak English.

Partner in the Mission

We expect that every registered family will strive to be a Partner in the Mission. The four key areas in which this partnership is visible and lived out are:

Sacraments

As a disciple of Jesus Christ, a partner participates weekly in the sharing of the Sunday Eucharist and the Sacraments at Saint Michael Parish.

Personal Spiritual Growth

As part of a community of believers, a partner is fully committed to constant personal spiritual growth.

Financial Support

A partner financially supports the mission and ministries of the entire parish. Every Fall, each partner household makes a sacrificial, financial pledge to support God's work at St. Michael Parish for the year to come. They then fulfill their pledge throughout the following year.

Time & Talent

Being a disciple, a partner is committed to living out our call within the community by giving of our Time and Talent to carry out the Lord's work. Each Spring we discern and commit to God's call to service. A partner, a disciple, serves in Parish ministry.
