

Sharing Guidelines for Lectio Divina

❖ How does the sharing actually work?

- 1st reading: Listen for one word or phrase that has meaning to you.
- 2nd reading: One word or phrase. (*not the story of that word to your life*)
- 3rd reading: Where does the word touch one's life that day? (*share briefly*)
- 4th reading: What will I do or become because of this word this week? (*share at greater length, remembering to leave time for everyone to share*)

- Reverence God's presence among the group by allowing each person to speak without interruption or judgment.
- Give every participant a chance to speak; wait to speak a second time until everyone has had an opportunity to share.
- Be aware of each person's uniqueness and honor that. After all that is what this is about.
