

FUNERAL AUDIO VISUAL TECH OPTIONS

Here at SMP, we are able to provide and enhance the funeral service for your loved one with the following Audio & Visual capabilities, if you so desire to utilize them.

In our Gathering Space, there are two large screen/TVs available to show a slideshow of photos. Please let your funeral coordinator know at least a week before the services, the following:

- Slideshow format: Apple Slides, Google Slides or Microsoft PowerPoint
 1. If there is music that's paired to the slideshow, we allow instrumental music to be played for the duration of the presentation. If you don't have music, we can set up a Spotify playlist to play*
 2. If the Media and AV team have any questions or concerns regarding the music they will reach out to the funeral coordinator.
- Flash drive, SD Card, DVD or cloud base (google drive, dropbox)
- If you prefer to bring your own device, make sure it has an HDMI connection. Arrive at least 30 min to troubleshoot?

In the Church, we are able to livestream the funeral service. If you choose to livestream we will create:

- The livestream link which is created through our YouTube profile. This can be shared with your family.
- The thumbnail that will be the cover photo of the livestream video link
- If you would like a photo of your loved one to be included in the thumbnail, then email the funeral coordinator once the photo has been selected.
- The link can be either public or unlisted, please let the funeral coordinator know at the time you choose to livestream the funeral service.
- At the conclusion of the funeral service, the video will be accessible through our YouTube Profile and the link remains active for replaying. Email the funeral coordinator if you would like us to send you the video of the funeral service via flash drive or Google Drive.

If you have any further questions, please contact the funeral coordinator.

*On behalf of the Media & Audio + Visual Tech staff of Saint Michael Parish,
please receive our condolences and know that we are praying for your family
during this time of grief.*

*Our Spotify Profile runs ad-free
